STATUS CHANGE NOTICE REQUIRED BY 37 CFR 1.27(G)(2)

Dear Sir:

Please be advised that the assignee of the above identified patent application is no longer entitled to Small Entity Status. The issue fee was paid as a large entity on April 9, 2001, but a notice of change of status was not sent in because of a good faith error in thinking simply paying the issue fee as a large entity was sufficient notice. Pursuant to 37 CFR 1.28(c), please find below the required information needed by the office to excuse the lack of notification at the time of paying the large entity fee under 37 CFR 1.27(G)(2)
